

Program

**5th Smögen Summer
Symposium on Virology**

August 20-22, 2009

Venue: "Smögens Havsbad"

Arranged by: Clinical Virology, Laboratory Medicine; Sahlgrenska
University Hospital, Göteborg;

Swedish Society for Virology

Welcome to the "5th Smögen Symposium on Virology"!

It is a pleasure for the Organizing Committee to announce that the third symposium will be held at Smögens Havsbad, Smögen, Thursday August 20 to Saturday August 22, 2009. This is the same venue as last year.

The scientific as well as the social agenda will follow the traditions of previous Smögen Symposia. One exception is that two separate social events will run in parallel during the evening of Friday August 21. Most of the delegates will be offered the traditional M/Y Byfjorden Seafood Cruise but some of the delegates will be offered an excursion on the famous Hållö Island. Compared with the surrounding islands the topology of Hållö is well suited for hiking but some hiking experience may be needed, especially when twilight sets in.

Owing to the nature of Hållö as a remote island with restricted harbour capacity is it possible to offer the Hållö option only to a few of the delegates this year. We are however convinced that the Seafood Cruise will turn out to be a perfectly satisfactory alternative. Please note that the departure time for the Hållö Excursion will be somewhat earlier than for the Seafood Cruise.

We hope that you will enjoy both the scientific and the social activities and wish you cordially welcome to the 5th Smögen Summer Symposium on Virology.

Tomas Bergström, Kristina Eriksson, Sigvard Olofsson, Lennart Svensson
Organizing Committee

Friday, August 21

07:30 Breakfast Havsbadet

08:30-09:15 0:45 *Keynote*

Bamford, Dennis Helsinki Origin and evolution of viruses through structure

**09:30-10:30 1:00 *Session 3:
Vaccines & Viral Immunology
Chairman: Eva Maria Fenyő***

10.30 Coffee Break

**11:00-11:50 0:50 *Session 4:
Virus-cell: Early Interactions
Chairman: Niklas Arnberg***

**11:50-12:40 0:50 *Session 5:
Virus-Cell: The Intracellular
Crosstalk
Chairman: Michael Lindberg***

12:40 Lunch & Free Activities

**14:30-16:00 1:30 *Session 6:
Emerging Viruses: Tomas
Bergström***

Friday, August 21 Continued

16:00-17:20 Coffee Break followed by gathering of all Symposium Delegates for Member meeting of The Swedish Society for Virology

Friday Evening Activities:

18.00 Gathering at the Harbour for Seafood Hällö Hiking (Some delegates)

or

18:30 Gathering at the Harbour for Seafood Archipelago Cruise (The majority of the delegates)

Saturday, August 22

07:30 Breakfast

Havsbadet

08:50-09:35
NB Time!

0:45

Session 7:
Evolution & Epidemiology
Chairman: Lennart Svensson

09:35—10:15

0:40

Session 8:
Molecular & Structural Biology
Chairman: Magnus Lindh

10:15-10

Coffee Break

10:45-12:25

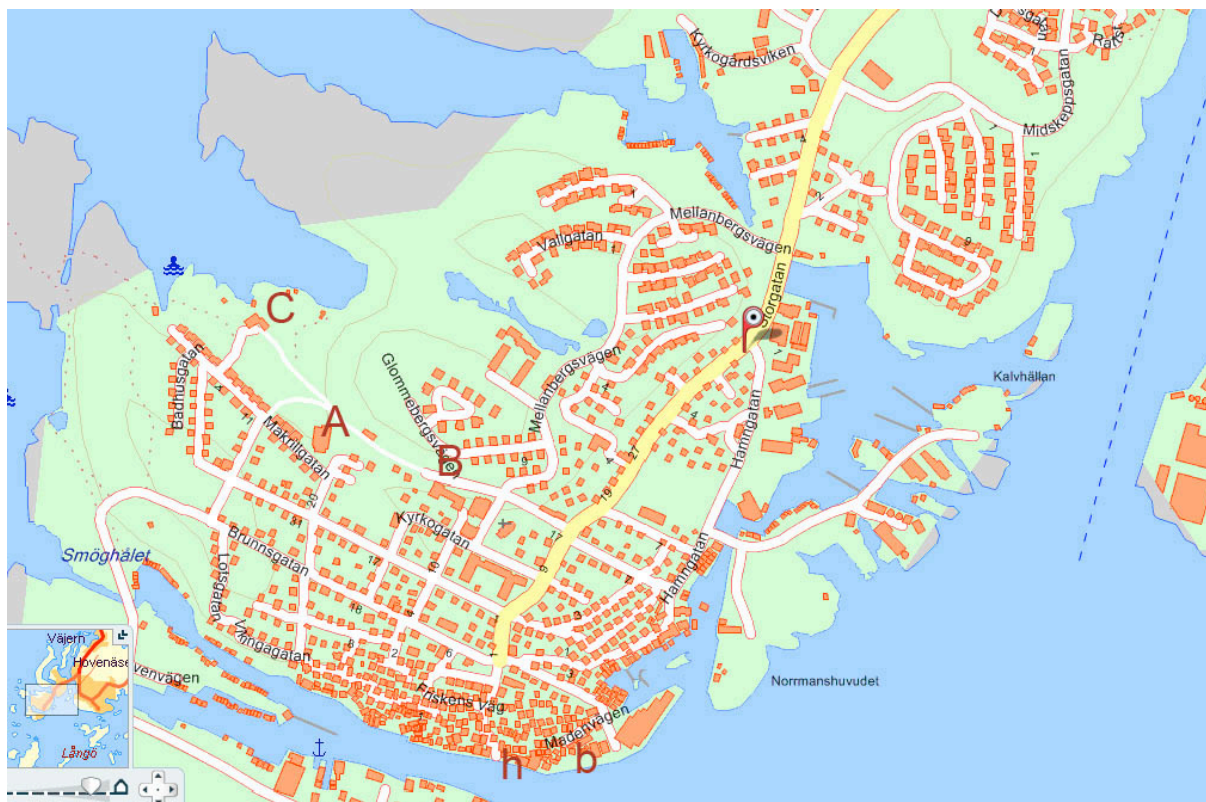

1:40

Session 9
Clinical Virology
Chairman: Lena Grillner

12:25 Lunch

13:30-14:00 Bus departure for Gothenburg

Map of Central Smögen

Important places:

A: Smögens Havsbad

B: Smögens Havsbad Annex Läsidan

C: Makrillviken

b: Departure for M/Y Byfjorden Seafood Cruise

h: Departure for ferry to Hällö
